

SHELF STABLE SNACKS (THAT AREN'T PROTEIN BARS)

- Pork Rinds
- Moon Cheese (Starbucks, Amazon)
- Olives (Olive to Go! makes it even easier!)
- Jerky (as long as it's under 4-5g net carbs per serving, try Jack Link's Small Batch)
- Individual Packages of Nuts (BJ's and Costco sells great individual packages that count as 1 protein serving)
- Pumpkin or Sunflower Seeds
- Individual Packages of Edamame (TJ Maxx, Marshall's, Amazon)
- Trader Joe's Dried Broccoli Florets
- Epic Chicken Sriracha Bar (ShopRite, Whole Foods, Stop & Shop)
- Rhythm Brand Kale Chips
- Flackers with Justin's Peanut Butter Packet
- Premade Protein Shakes (Pounds Brand, Atkins, or Premier)
- Individual Tuna Packets (Bumble Bee or Chicken of the Sea - check your labels for net carbs, some flavors have more than others)
- P3 Shelf-Stable Packs (note - these are slightly higher in carbs, 10-13 g, but worth it in a pinch)
