

ZUCCHINI "NICE" CREAM SERVES -SERVES ~1-2

INGREDIENTS:

- 6 oz Greek yogurt
- 1 large zucchini, peeled, chopped, and frozen
- 3-4 ice cubes
- 2 Tbsp unsweetened cocoa powder
- scoop vanilla protein powder (if using chocolate protein, reduce cocoa powder by $\frac{1}{2}$ Tbsp)
- Sugar substitute to taste (allulose, stevia, etc.)

PROCEDURE:

Prep zucchini by peeling, chopping, and freezing overnight. (Tip: prep in bulk to save time later.)

Add Greek yogurt to a blender first, then frozen zucchini, then ice. Blend until chunky (*doesn't need to be perfectly smooth*).

Pause blending and add cocoa powder and protein powder. Use a spoon to break up contents slightly.

Resume blending, starting on low speed and gradually increasing. Do not rush this. You should feel resistance with the tamper and see the mixture rise and aerate.

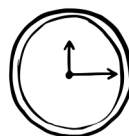

Blend until thick and creamy. Portion into 2 bowls and serve immediately.
